PERSONAL INJURY PROTECTION (NO-FAULT COVERAGE) OPTIONS

Pursuant to Florida law, every owner or registrant of a motor vehicle required to be registered and licensed in Florida, shall maintain Personal Injury Protection (PIP). This is often referred to as no-fault coverage.

Basic PIP coverage provides for 80% of covered medical expenses and 60% of covered work loss expenses. It also covers replacement services expenses and death benefits. The total aggregate limit for all PIP benefits is \$10,000 per person. Refer to your policy for the prevailing coverage provisions.

If you are an individual named insured, you may elect a deductible and to exclude coverage for loss of gross income and loss of earning capacity ("lost wages" or "work loss"). These elections apply to the named insured alone or to the named insured and all dependent resident relatives. A premium reduction will result from these elections. The named insured is hereby advised not to elect the lost wage exclusion if the named insured or dependent resident relatives are employed, since that would preclude the payment of lost wages in the event of an accident.

No deductible or exclusion of work loss benefits will apply, unless you make an election below. However, if this is a renewal policy, the limits and options elected for the PIP coverage of your expiring policy will apply for the renewal policy unless you make a different election below.
