

ELECTION OF NON-STACKED COVERAGE

(Do not complete if you have rejected Uninsured Motorist coverage)

If you are an individual or if your policy is a Commercial Auto policy and you are designated as an individual in the Declarations of such policy, you have the option to purchase, at a reduced rate, non-stacked (limited) Uninsured Motorist coverage. Under this coverage, if injury occurs in a vehicle owned or leased by you or any family member who resides with you, this policy will apply only to the extent of coverage, if any, which applies to that vehicle in this policy. If an injury occurs while occupying someone else's vehicle, or you are struck as a pedestrian, you are entitled to select the highest limits of Uninsured Motorist coverage available on any one vehicle for which you are a named insured, insured family member, or insured resident of the named insured's household. This policy will not apply if you select the coverage available under any other policy issued to you or the policy of any other family member who resides with you.

If you do not elect to purchase non-stacked coverage, your policy limit(s) for each motor vehicle are added together (stacked) for all covered injuries. Thus, your policy limits would automatically change during the policy term if you increase or decrease the number of autos covered under your policy.

(Initials)

_____ I elect the non-stacked form of Uninsured Motorist coverage.

I understand and agree that selection of any of the above options applies to my liability insurance policy and future renewals or replacements of such policy which are issued at the same Bodily Injury Liability limits. If I decide to select another option at some future time, I must let the company or my agent know in writing.
